

UPLOADING DIGITAL IMAGES A QUICK GUIDE

Contributions

This quick guide outlines how to use the digital images we've supplied in the Contributions Toolkit, for use on your employee-facing digital channels.

Here's what to do:

1 Click the Download button under the Digital Images section on the Toolkit page.
The images are in a zipped file that will download to your computer. You can now save the images, ready to upload to your employee-facing digital channels.

2 The approved accompanying wording must be used with the Contributions images to ensure that any necessary disclaimers are appropriately displayed. Remember to use the approved wording so there's a clear call-to-action. We have provided a short and long version for you to choose from:

Short

Option 1 – Help boost your super with extra contributions

"A message from Hostplus: Did you know you could help boost your super balance for a better retirement by making additional contributions above your employer's compulsory contributions? If you're a Hostplus member, visit hostplus.com.au/contribute to find out more."

Option 2 – Help boost your super with salary sacrifice contributions

"A message from Hostplus: Did you know that you could help boost your super for a better retirement through salary sacrifice? If you're a Hostplus member, visit hostplus.com.au/salary-sacrifice to find out more."

Option 3 – Help boost your super with Government co-contributions
